The Next Chapter

Greenleaf

This past quarter, Greenleaf made great strides in supporting our participants and advancing our mission. From our annual gala to summer youth programs, we continued creating opportunities, building meaningful connections, and breaking down barriers to employment. As we look back on the past few months, we're celebrating the people, partnerships, and progress that make our work possible and looking ahead to all we can accomplish together.

Annual Event Success!

Greenleaf's annual event, Limitless Possibilities, presented by JPMorganChase, was a resounding success, raising $40,596.20. Guests enjoyed a beautiful evening complete with inspiring guest speakers, a participant panel, a delicious plated dinner, open bar, and a silent auction.

We couldn't be more grateful for our amazing partners who made this event possible, and we look forward to another year of helping our participants access new opportunities.

Summer Youth

Our Summer Youth Work Experience wrapped up in August but gave local high school students valuable professional skills ranging from customer service to animal care. We're proud to have partnered with a multitude of local businesses, including Lifetime Fitness, Giant Eagle in Newark, The Ohio Wildlife Center, LifeCare Alliance, Victoria's Secret & Co. Warehouse, and Zoombezi Bay to make this program a success.

Project SEARCH

This year's Project SEARCH program, offering high school seniors a year-long internship and effectively preparing them for future employment, started in August. Project SEARCH is going on its 11th year and has helped over 70 students transition to competitive jobs or pursue higher education.

As always, Greenleaf is proud to be involved and is looking forward to helping more students find their calling and gain valuable work experience.

Learn more about Project SEARCH and Greenleaf's involvement.

Partnering with the Ohio School for the Deaf

Greenleaf's Empowering Employment program partnered with the Ohio School for the Deaf, creating additional support for their students and strengthening pathways to employment. Through this collaboration, Greenleaf is working to break down barriers and ensure students have access to the resources, guidance, and support they need to pursue meaningful employment. We couldn't be more excited to see its impact.

Our New Home

Our Greenleaf team has a new home! We're so excited to announce that we've officially moved into our new office located at 1515 Indianola Ave, Columbus, Ohio 43201.
